Thank you for your email. I appreciate your taking the time to write me.

As the City Councilman representing the 44th District, I have the great honor of serving nearly 200,000 New Yorkers who live in Borough Park, Bensonhurst, Midwood, Kensington and Gravesend.

Because of the volume of email I receive, I prioritize those from residents of my district. **If your original email did not include your name, address and phone number, please resend your email with that information.** In addition to helping me prioritize communications from my constituents, it also helps because it is sometimes more efficient to reply by telephone instead of email.

If you do not provide your name, address and phone number, you will most likely not receive a reply.

While I read every email I receive, not every email will receive a response. If your email offered a suggestion or comment, you may not receive a reply, but you can be assured that it will be read. Many emails are about specific or topical issues handled by members of my legislative staff. If necessary, your email will be forwarded to a member of my legislative staff for response.

While email might seem to be the most efficient way to reach my office, a phone call will usually get a quicker response. **For immediate assistance during business hours (9am-6pm Monday through Friday), please call my office at 718-853-2704.**

Again, thank you for taking the time to write me.

Sincerely,

Kalman Yeger
New York City Councilman
