**Attachments:** 7-8-16-ltr-to-counties-final-final.pdf

**TO: Jefferson County Attorney David Paulsen**

The attached July 8, 2016 letter is for you and for all Jefferson County legislators, executive officers & the treasurer/comptroller. It substantially revises and supersedes the letter I previously sent you for distribution. I apologize for the inconvenience, but kindly forward this on to them as well. Unless I hear from you to the contrary, I will assume you will forward this to them.

To assist Jefferson County in taking protective steps, I am directly sending this e-mail to Jefferson County District Attorney Mills so as to reinforce her duty to promptly furnish you and Jefferson County's other public officers with her findings of fact and conclusions of law with respect to the citizen-taxpayer action *Center for Judicial Accountability, Inc. v. Cuomo, et al.* (Albany Co. #1788-2014). Does she deny or dispute its rock-solid evidentiary showing that the judicial salary increases, on which her own district attorney salary increases rest, are statutorily-violative, fraudulent -- & unconstitutional? How about our June 21, 2016 corruption complaint based thereon, filed with Albany County District Attorney Soares? Does she deny or dispute its sufficiency for founding criminal indictments for violations of the penal law – and convictions?

For the convenience of all, the direct link to CJA's webpage for the attached July 8, 2016 letter, from which all referred-to correspondence and substantiating evidence are accessible, is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/7-8-16-ltr-to-counties.htm> .

Feel free to call with any questions.

Thank you.
