Ms. Sassower:

I have reviewed the information you provided via e-mail yesterday. The materials appear to include matter intended to influence our Board of Supervisors to take an action within its collective political discretion. I do not think it appropriate for this office to further distribute the information to avoid the appearance that we are endorsing one position or another. Obviously you are free to make your opinion known to any officials to whom you deem it appropriate. Thank you for the opportunity to review the information.
