TO: Lewis County Legislative Clerk Terry Clark

Following up our phone conversation, bravo to Lewis County legislators for rejecting the district attorney salary increase at their August 2nd meeting, reported in the Watertown Daily Times the following day. It appears, however, that the legislators were unaware of the Center for Judicial Accountability's July 8th letter to them – which I had e-mailed to Lewis County Attorney McNichol, with a request that she furnish it to “all Lewis County legislators, executive officers & the treasurer/comptroller”.

Below is a copy of my July 12th transmitting e-mail to County Attorney McNichol, a copy of which I simultaneously sent to Lewis County District Attorney Moser.

Here's the link to the menu webpage which posts the July 8th letter: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/how-many-das-menu.htm>. It also posts CJA's July 14th FOIL request pertaining to district attorney salaries & non-salary benefits, etc., which I also sent to County Attorney McNichol. As yet, I have received no acknowledgment from her or anyone else from Lewis County to the FOIL request.

I am rushing to send this to you before you leave at 4:30. I am available to answer questions, including under oath and *via* skype at the legislators next meeting in September.

Again, thank you.

TO: Lewis County Attorney Joan McNichol –

Kindly supersede the July 8, 2016 letter I previously sent you with the attached revised letter – and furnish to all Lewis County legislators, executive officers & the treasurer/comptroller. Unless I hear from you to the contrary, I will assume you have done so.

To assist Lewis County in taking protective steps, I am directly sending this e-mail to Lewis County District Attorney Moser so as to further reinforce her duty to promptly furnish you and Lewis County's other public officers with her findings of fact and conclusions of law with respect to the citizen-taxpayer action, *Center for Judicial Accountability, Inc. v. Cuomo, et al.* (Albany Co. #1788-2014). Does she deny or dispute its rock-solid evidentiary showing that the judicial salary increases, on which her own district attorney salary increases rest, are statutorily-violative, fraudulent -- & unconstitutional? How about our June 21, 2016 corruption complaint filed with Albany County District Attorney Soares? Does she deny or dispute its sufficiency for founding criminal indictments for violations of the penal law – and convictions?

For the convenience of all, the direct link to CJA's webpage for the attached July 8, 2016 letter, from which all referred-to correspondence and substantiating evidence are accessible, is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/7-8-16-ltr-to-counties.htm> .

Feel free to call with any questions.

Thank you.
