Dear Ms. Sassower:

This is in response to your Freedom of Information Law ("FOIL") request to the New York State Division of the Budget (the "Division") dated January 25, 2018, in which you seek: "The 'plan' for reimbursement to counties for district attorney salaries - and the dollar reimbursement for each county" for 17-18 and 18-19."

Attached is a record within the Division's possession which is responsive to your request as of January 25, 2018.

Pursuant to the provisions of POL Section 89(4), you have thirty (30) days to submit a written appeal of the Division's determination. Should you decide to file a written appeal, please send it to the Division's designated Appeals Officer, Sandra Beattie, at foil@budget.ny.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Amy R. Ottaviano".
