RE: Lawsuit challenges to the Commission on Judicial Conduct—
particularly by complainants whose complaints the Commission
dismissed or had not determined

Dear Mr. Tembeckjian:

Pursuant to FOIL (Public Officers Law VI), this is to request a copy of any list of lawsuits brought against the Commission on Judicial Conduct:

- (1) by complainants whose complaints the Commission dismissed or had not determined;
- (2) by judges who were the subject of Commission investigations or proceedings.

I additionally request to review the decisions in those lawsuits – and the pleadings and litigation files pertaining thereto. Please advise when I might come to the Commission's office for such purpose, as I have done previously on several occasions – but not in the past nine years or so.

Thank you.
