Re: FOIL Request #2020-0221

Dear Ms. Elena Sassower,

This is in reply to your Freedom of Information Law (FOIL) (Public Officers Law [POL], Article 6) request to the Office of the State Comptroller (OSC) dated April 20, 2020, seeking information on costs associated with the Public Campaign Financing and Election Commission (PFEC), exclusive of litigation costs.

After a diligent search, OSC did not find any appropriations that specifically mention the PFEC. Within our system records, there are not any program values or transactional department values that specifically mention the commission. However, OSC did find four vouchers paid from a Department of State appropriation to members of the commission for travel related to public meetings for PFEC business, totaling \$780.00.

Your request as to where to access commission records, and to amend records held by the PFEC, do not involve records held by OSC. As such, those requests should be directed to the commission.

OSC trusts you find this information helpful.

Sincerely,

Jane Hall  
Records Access Officer
