RE: FOIL 010-2022

Dear Elena Sassower:

Attached are records that respond to your Freedom of Information Law request to the New York State Offices of the Inspector General.

With respect to that portion of your request seeking “all records reflecting whether my November 2, 2021 complaint was reported to the ‘secretary to the governor,’” please be advised that we are in possession of no responsive records.

Sincerely,

Stephen Del Giacco  
Records Access Officer
