**TO: 1st Dept. Attorney Grievance Committee Chairs Robert Anello, Esq. & Abigail Reardon, Esq.**

I received no response from you to my above-attached and [here-linked March 15, 2022 letter to you](#) – of which I sent you a reminder by the below May 4<sup>th</sup> e-mail entitled “STATUS? CJA's March 15, 2022 letter RE: Feb. 11, 2021 complaint vs Attorney General James, Solicitor General Underwood & complaints resulting therefrom vs AGC-1 Chief Attorney Dopico & attorney staff”.

Unless I hear from you to the contrary, I will assume you willfully and deliberately did not respond to either – and will proceed, accordingly.

I take this opportunity to alert you and the cc's herein – the 1<sup>st</sup> Dept. Appellate Division Clerk's Office and the OCA Inspector General – that notwithstanding Deputy Clerk Sowah's above-attached and [here-linked March 11<sup>th</sup> letter to me](#) stating:

“Your complaint against Chief Attorney, Jorge Dopico, Esq., and attorney staff of the Attorney Grievance Committee regarding the handling of your complaints against Barbara Underwood, Esq., Docket No. 2021.0488, and Letitia James, Esq., Docket No. 2021.0843, has been referred to this office. **You will receive a formal response after a full review of your concerns.**” (bold added),

I received no “formal response”, nor response of any kind.

How about you? Did you receive any response or communication from Deputy Clerk Sowah to my complaint against Chief Attorney Dopico, *et al.*, [formalized with a March 9, 2022 complaint form](#)? How about from OCA Inspector General Spatz, who I have cc'd on all my e-mails to you and with whom I filed an [August 27, 2021 complaint against Chief Attorney Dopico](#), without response from her.

In the interest of economy, I request that Deputy Clerk Sowah confirm that no “formal response” was sent to me – or, if it was, that she re-send it, by e-mail, together with such correspondence as was had with you, AGC-1, and OCA Inspector General Spatz pertaining to the “full review” that her March 11<sup>th</sup> letter promised, so that, likewise, I may be guided accordingly.

**TIME IS OF THE ESSENCE.** Based upon the open-and-shut, *prima facie* EVIDENCE furnished by my [February 11, 2021 complaint](#) and further reinforced by my [April 27, 2021 supplement](#), Attorney General James should, by now, have been disbarred and indicted for corruption, if not already convicted and behind bars. Instead, she has been posturing herself as a courageous public officer who takes on public corruption, no matter how high and wherever it leads. On that basis, and after bringing down Governor Cuomo on sensationalized charges that were nothing compared to what she has been actively covering up and colluding in, with Cuomo and NY's other highest public officers, for years, involving the state budget, the pay raises, and the collapse of constitutional governance, she announced her candidacy for governor in October 2021 ([here, with video](#)), which she then quit in December 2021 on the pretense that she had important work to continue as AG, such as going after former President Trump ([here](#), [here](#), & [here](#)) because, as she asserts in pursuit of him, "no one is above the law" ([Jan. 18, 2022 press release](#); [July 6, 2022 press release](#)). Her re-election as AG in November 2022, on Democratic and Working Families lines, is all but certain because of press collusion and rigging – and it is the press, in tandem with NY's corrupt and politicized ethics and criminal entities, that has enabled AG James to corrupt and politicize her office, throughout her 3-1/2 year tenure, perpetuating the flagrant corruption and unconstitutionality of NYS governance, of which she was fully knowledgeable *before* her November 2018 election – as chronicled by my February 11, 2021 complaint.

Be advised that AG James' *modus operandi* of litigation fraud to defeat meritorious lawsuits of patriotic citizens challenging unconstitutionality, illegality, and fraud by NY public officers and entities – inherited from her AG predecessors, Solicitor General Underwood among them – has continued, unabated – as likewise the reward she procures in the form of fraudulent judicial decisions. This is what is again happening in CJA's latest lawsuit involving the state budget and the pay raises, including AG James' own – where, once again, she is a defendant, representing her fellow defendants. In the unlikely event you are unaware of this most recent corruption-exposing lawsuit, *CJA, et al. v. JCOPE, et al.* – featured on the [front-page of the June 13<sup>th</sup> New York Law Journal, above-the-fold](#) – here's the [NYSCEF link to it](#). My July 8, 2022 ethics complaint against AG James, for her conflict-driven litigation fraud in the lawsuit, filed with the new Commission on Ethics and Lobbying in Government – and which, upon information and belief, is its FIRST complaint – is [here](#).

Thank you.

**TO: 1<sup>st</sup> Dept. Attorney Grievance Committee Chairs Robert J. Anello, Esq. & Abigail T. Reardon, Esq.**

The above-attached reconsideration/complaint letter of today's date particularizes the continuing dysfunction and corruption of the operations of AGC-1 under Chief Attorney Dopico, to which [my January 27, 2022 reconsideration/complaint letter](#), sent by the below e-mail, alerted you.

As stated at the conclusion of my today's reconsideration/complaint letter (at p. 9):

"I respectfully request your prompt confirmation that you will be furnishing this reconsideration/complaint letter to all AGC-1 members for their appropriate action, consistent with your duties and theirs – and that such was done or will be done with respect to my January 27, 2022 reconsideration/complaint letter, whose explosive electoral significance – as, for instance, to Attorney General James' run for re-election – was assuredly evident to you, upon your initial read.

**TIME IS OF THE ESSENCE."**

I would be pleased to speak with you about my letter – and to appear before the Committee, including under oath.
