Re: FOIL Request #2019-0545

Dear Ms. Elena Sassower,

This is in reply to your Freedom of Information Law (FOIL) (Public Officers Law [POL], Article 6) request to the Office of the State Comptroller (OSC) dated October 2, 2019, seeking the three most recent annual accounting submitted by the Comptroller to the Governor and the Legislature pursuant to POL §17 (3)(d). Attached are such reports for your review.

In response to the second portion of your request, please note that OSC records are not maintained in a manner in which they can be queried based on the criteria provided. Payments of court settlements are made by OSC via the Statewide Financial System (SFS). SFS, a system managed by OSC and the Division of the Budget, was constructed to be a payment, accounting and budgeting system and not a legal case information system (like the one that may be maintained by the OAG). Settlement payments are not associated with a particular case type in the system. As such, we are unable to provide documents responsive to this request.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jarfe Hall", written over the typed name and title.
