Your below June 14th e-mail to me attaches the above letter dated June 4th, signed by Clerk Zahner, responding to my May 12th letter. By its address for me as elena@judgewatch.org, the June 4th letter implies that it was being e-mailed to me on that date.

Was it? I have not found any June 4th e-mail from you with that June 4th letter in my inbox – or, in fact, any e-mail from you transmitting the June 4th letter, until June 14th. Therefore, please forward any such prior transmitting e-mail to me, if it exists – or confirm that your June 14th e-mail was the first time you had sent me the purported June 4th letter – and that you sent it in response to my June 10th e-mail stating I had received no response to my May 12th letter. For your convenience, a pdf of my June 10th e-mail is attached.

Thank you.
