TO: Jay Strell, Communications/Citizens' Committee for an Effective
Constitution

This follows up my phone conversation on Friday, July 6th, with Assistant
Publicist Jacob Taylor. As the website of the Citizens' Committee for an
Effective Constitution does not indicate any e-mail addresses for the
Committee, or for its Executive Director Benjamin Kallos, or for Committee
Founders Bill Samuels and Assembly Minority Leader Brian Kolb, kindly
forward this e-mail to them.

As the attached above-entitled letter might "exceed capacity" if sent with its
accompanying four enclosures, the enclosures are not herewith attached.
They are, however, conveniently accessed from the Center for Judicial
Accountability's website, www.judgewatch.org, *via* the top panel "Latest
News", which features a hyperlink to our newly-created webpage "Building
for a People's Constitutional Convention" -- the first item of which is the
attached letter with its four enclosures.

Thank you.
