TO: Niagara County District Attorney Brian Seaman

Above attached for presentment to a Niagara County grand jury, so that it may discharge its duty pursuant to Article I, §6 of the New York State Constitution "to inquire into the wilful misconduct in office of public officers and to find indictments", is the June 18, 2020 public corruption complaint I filed with your Niagara County D.A. predecessor – the now Niagara County Court Judge Caroline Wojtaszek – involving the Niagara D.A. salary and the Niagara county budget, about which I gave you notice by the below August 24, 2020 e-mail when you were running to be elected Niagara County D.A.

The status of the June 18, 2020 complaint – whose *prima facie*, open-and-shut EVIDENTIARY substantiation is accessible from CJA's website, [here](#) -- is, as below recited. I received no response from D.A. Wojtaszek and, on July 27, 2020, sent her the complaint a second time, with the above-attached FOIL request. Only to the FOIL request did I receive any response from D.A. Wojtaszek's office, by letter dated September 19, 2020. You can find this correspondence posted on the webpage I have created for this complaint, [here](#) – and I hereby re-file the July 27, 2020 FOIL request with you, for your own response thereto.

Needless to say, should you – like former D.A. Wojtaszek -- ignore, without response, the FULLY-DOCUMENTED June 18, 2020 public corruption complaint and your financial and other conflicts of interest arising therefrom, you, like she, will be guilty of "wilful misconduct in office" – and ANY grand jury would so-find. You are plainly drawing a salary – and, presumably, it is not \$119,800, but the \$200,400 resulting from the two commission reports that are each "false instruments", of which my below August 24, 2020 e-mail alerted you.

As the injury caused to the People of Niagara County – and New York State – by the systemic governmental corruption laid out by the June 18, 2020 complaints is on-going and irreparable, time is of the essence. Will you – or will you not – be upholding the grand jury's constitutionally-guaranteed "power...to inquire into" it?

Thank you.

Subject: WINNING ELECTION as Niagara County district attorney belongs to the candidate who recognizes his duty to confront & rise above conflicts of interest

TO Niagara County District Attorney Candidates Brian Seaman and John Cerretto, II

Are you aware that the dramatic jump in the Niagara County district attorney salary, from \$119,800 in 2012 to \$200,400 last year, is the result of two “force of law” commission reports raising judicial salaries – and that each report is a “false instrument”, violative of a succession of penal laws? And are you aware that Niagara County state legislators also got a salary jump, from \$79,500 in 2018 to \$110,00 last year, as a result of a comparable “force of law” committee report that is a “false instrument, violative of the same succession of penal laws”?

The facts – and evidence – pertaining to this – are presented by the above-attached June 18, 2020 public corruption/grand jury complaint against Niagara County state legislators that I sent to Niagara County District Attorney Caroline Wojtaszek by the below two e-mails. Would it surprise you to know that D.A. Wojtaszek has been “sitting on” the complaint? And would you agree among the most obvious reasons is because she is financially interested in maintaining her current \$200,400 district attorney salary – and in ensuring that if elected to the Niagara County judgeship for which she is running, she will get the hiked pay for that office – the same as for D.A.s -- \$200,400.

As you are candidates running against each other to succeed D.A. Wojtaszek, will you speak out about her “wilful misconduct” in “sitting on” the complaint, itself criminal and plainly disqualifying her to be a judge. And if not, is it because each of you – like D.A. Wojtaszek -- suffer from a multitude of conflicts-of-interest? Apart from your own financial interests in a D.A. salary that is more than \$80,000 higher than it should lawfully be, Assemblyman Michael Norris, Esq. – one of the five Niagara County state legislators against whom the complaint is directed – is, according to [Candidate Seaman’s campaign website](#) – a “long-time friend”, with whom Candidate Seaman and his father are law firm partners. And although Candidate Cerretto’s father is not a current Niagara County state legislator, his tenure as [assemblyman from January 1, 2011 through December 31, 2016](#) means that he was part of the Legislature’s corruption in those years involving the state budget and the two commission reports raising judicial and district attorney salaries, encompassed by the complaint.

Absent action by D.A. Wojtaszek, the June 18, 2020 public corruption/grand jury complaint will be before whichever one of you wins election as Niagara County D.A. How will you handle the complaint, beginning with the threshold issue of your financial and other conflicts of interest. Will you present the complaint to a Niagara County grand jury for its inquiry pursuant to Article I, §6 of the New York State Constitution and Criminal Procedure Law Article 190? And what D.A. salary would you be expecting to

draw -- \$119,800 or \$200,400 – a salary paid by Niagara County taxpayers from the Niagara County budget.

I am eager to speak with you directly about the foregoing – and, additionally, about my July 27, 2020 FOIL/information request to Niagara County's FOIL Officer/Clerk of the Legislature Mary Jo Tamburlin pertaining to: (1) the functioning of the Niagara County district attorney's office & performance of its duties with respect to public corruption complaints filed by members of the public; and (2) access to the Niagara County grand jury. The July 27, 2020 FOIL/information request is above-attached, transmitted by the below.

Thank you.

Subject: Reasonable questions arising from your nonfeasance: June 18, 2020 public corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Niagara County state legislators...

TO: Niagara County District Attorney Caroline Wojtaszek

I have received no acknowledgment or other response to my June 18, 2020 public corruption/grand jury complaint against Niagara County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against Niagara County state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with Niagara County's FOIL Officer – to which you are a cc. It is attached.

Thank you.
