Dear Assemblyman Buchwald —

Thanks for your directions to
your district office.

Here are the materials I
handed up during my testimony
last week at the Senate + Assembly
joint budget hearing on "Public
Protection" in opposition to the

Judicial pay raises +, indeed
in opposition to the Judiciary Budget.

Please view the video of my
testimony at the February 6, 2013 hearing.
It is posted on our website, www.judswatch.org

accessible via the top panel

"Latest News", containing a hyperlink
to our webpage "Securing Legislative
oversight + override of the 2nd + 3rd phases of
the judicial pay raises..."

I look forward to meeting with you
at your earliest convenience.

Thank you.
