Subject: The Commission on Prosecutorial Conduct's Proposed Revised Rules -- & CJA's Request for a Hearing

TO: Commenters on the Commission on Prosecutorial Conduct's Original Proposed Rules:

Like you, I submitted comment, in June, to the Commission on Prosecutorial Conduct's proposed rules. Yesterday, I submitted comment to its proposed revised rules and to the "Assessment of Public Comments", on which it is based – stating, in my penultimate paragraph (at p. 4), that I would be sending you a copy so that you "weigh in" on what I had to say and, specifically, with respect to my request for a hearing.

My comment on the proposed revised rules is above-attached and [here-linked](#) and I am available to discuss it with you and answer questions.

Although I will be filing a FOIL request to the Commission for the public comments it received to its proposed revised rules, I would appreciate your sending me such comment as you made.

Thank you.
