Dear Elena:

Thank you for contacting New York Public Radio.

You can locate the names of the reports and show host online at www.wnyc.org. In regards to other stations you would have to go to the NPR site and look that information up. In addition we are not affiliated with PBS, all public radio stations and TV stations are not affiliated with each other.

Kind regards,

Who are your reporters & commentators? How do I contact them? Also, which is the New York State equivalent of WNYC? In other words, which are the public-supported/NPR-PBS news affiliates, who are their reporters and commentators, and how do I reach them?

Thank you.
