### Behind-the-scenes at tonight's gubernatorial debate -- Why shouldn't "long-shot" candidates become the front-runners?

Below is my yesterday's e-mail to the participants at tonight's gubernatorial debate, based on the EVIDENCE of Governor Cuomo's corruption, posted here: <http://www.judgewidth.org/web-pages/elections/2018/cuomo.htm>.

Shouldn't New York's non-"fake-news media" be informing voters of what is there posted – and its legal significance?

As always, I am available to assist you, to the fullest. What are you waiting for?
