Following up the voice mail message I left for you an hour ago, kindly advise as to whether you have read my below e-mail to the Commission on Legislative, Judicial and Executive Compensation. Will you be reporting and investigating it? Might the Commission's receipt of that e-mail, yesterday morning, be the reason it thereafter cancelled its afternoon meeting?

As I do not want to contact your Law Journal editor(s) and the publisher, without hearing from you first, please advise -- including when you will be reporting on my November 4th testimony before the Commission and on the *CJA v. Cuomo...DiFiore* citizen-taxpayer action, at the Court of Appeals.

Thank you.

Subject: Reporting on today's meeting of the Commission on Legislative, Judicial & Executive Compensation -- & what's been happening "behind-the-scenes"

TO: Dan Clark/New York Law Journal

As stated in the voice mail message I left for you shortly before 3 pm (518-301-6672), much has been happening "behind-the-scenes", since I gave sworn testimony at the November 4th hearing of the Commission on Legislative, Judicial and Executive Compensation, stating that the judicial pay raise advocates were perpetrating fraud before the Commission. Indeed, I have proven EXACTLY what I then stated -- as you can readily verify from CJA's website, www.judgewatch.org, via the prominent homepage link -- "NY's 'Force of Law' Commissions -- Unconstitutionality & Fraud IN PLAIN SIGHT". The direct link to the webpage for the Commission is here: <http://www.judgewatch.org/web-pages/searching-nys/force-of-law-commissions/part-e-chapter60-laws-2015/menu-2019-2020-commission.htm>.

The below e-mail entitled "Protecting the Commission from FRAUD -- CJA's Second Supplemental Submission in Specific Rebuttal to Chief Administrative Judge Marks' Nov. 22, 2019 Supplemental Submission", is the latest, sent earlier today
