I was disappointed to have received no call nor e-mail in response to the below. Tomorrow at 10 a.m. will be a full 24 hours since my voice mail – and I would appreciate hearing from you by then, as to whether you want the lead – and, if not, why.

Thank you.

Correcting the below. You were the first to report on the second complaint that had been filed with D.A. Flynn, on June 15th. If you'd like the proffered lead, however, you would also be the first to report on the complaint filed with D.A. Flynn three days earlier, on June 12th, which he has been "sitting on".

Following up the voice mail message I left for you at about 9:55 am (716-876-7333), I'd like to give you the lead on the below story proposal "...A Tale of Two Complaints" – as you were the first to report on the first complaint.
