Dear Justin & Matt,

Very important for our conversation today that you are in front of your computers – as there is a ton of evidence that I want to show you pertaining, directly, to Goodell & Borrello. It is exactly what I would have shown Swanson, had he called me for the further info as to my contacts with each of them, to which I cited in the corruption/grand jury complaint.

Thank you for taking the LEAD on this major, major story that will do so much to bring honest, accountable government to Chautauqua County -- & throughout the state.

Elena
