Delaware County's six state legislators – four running for re-election – are the subjects of a **fully-documented** public corruption/grand jury complaint, filed with Delaware County District Attorney Hubbard, himself running for re-election, who has been "sitting on" it. The complaint involves the "force of law" commission/committee scheme that gave all seven of them pay raises – and a legislature not operating at a remotely constitutional level.

The June 5, 2020 complaint, by the Center for Judicial Accountability, Inc. (CJA), is above-attached – and below are the e-mails transmitting it and the above-attached July 24, 2020 FOIL request to D.A. Hubbard. CJA's substantiating evidentiary webpage for the complaint is here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As stated by the complaint, Delaware County voters are entitled to know that their state legislators cannot be re-elected because they must be indicted for larceny and other corruption on EVIDENCE so DISPOSITIVE as to assure their convictions. So, too, retiring Senate Finance Committee Ranking Member Seward and Assemblyman Crouch, who will be pocketing *salary-based* pensions that are also larcenous.

To facilitate your inquiries of the complained-against state legislators and D.A. Hubbard, I am cc'ing them on this e-mail. What, if anything, do they deny or dispute. Let them start where the complaint starts: my July 16, 2019 e-mail to Senate Finance Committee Ranking Member Seward and the Legislature's 14 other stipend-receiving leaders requesting that they forward the e-mail to the 198 other state legislators, with its attached July 15, 2019 written NOTICE and substantiating analysis establishing that the December 10, 2018 Report of the Committee on Legislative and Executive Compensation – raising their legislative salaries from \$79,500 to \$110,000 – is "a fraud on the People of the State of New York – and a larceny of their tax dollars", violating a succession of penal laws, and that their duty was to void it, to return the pay-raise monies they had already received, and to initiate criminal prosecutions of the

Committee's four members and abetting attorneys." The analysis is 46 pages, excluding exhibits. Will they furnish you with their findings of fact and conclusions of law? If not, I'm sure ordinary Delaware County citizens would be able to help you with what is obvious. Just accompany your story with links to the complaint and the evidentiary webpage so that they can see for themselves the open-and-shut, *prima facie* EVIDENCE that D.A. Hubbard has been withholding from a Delaware County grand jury to maintain his own fraudulently-boosted D.A. salary, paid by Delaware County taxpayers.

I am available to answer your questions and assist you, to the max -- on a story not only upending Delaware County's state legislative and D.A. races, but, additionally, ALL New York's other state legislative races and its 14 other D.A. races -- and **that's for starters**.

Thank you.

**Subject: Reasonable questions arising from your nonfeasance: June 5, 2020 corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Delaware County state legislators...**

**TO: Delaware County District Attorney John Hubbard**

I have received no acknowledgment or other response to my June 5, 2020 public corruption/grand jury complaint against Delaware County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm> -- and additionally mailed.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict -- and a trial jury speedily convict -- the complained-against Delaware County state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with Delaware County Records Access Officer & Board of Supervisors Clerk Christa Schafer. A copy is attached.

Thank you.

Dear District Attorney Hubbard,

Please supersede the corruption/grand jury complaint I sent you by the below e-mail, with the attached, making essentially clarifying, non-substantive changes. I will now mail you the original of this signed superseding complaint. Apologies for the inconvenience.

Thank you.

**Subject: CORRUPTION COMPLAINT in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Delaware County state legislators for "wilful misconduct in office", including fraud & larceny with respect to their OWN legislative salaries...**

Dear District Attorney Hubbard,

Following up our phone conversation earlier today – for which I thank you – attached is the Center for Judicial Accountability's above-entitled corruption complaint of today's date. I will mail you the signed original. CJA's webpage from which the evidence substantiating the complaint – and the complaint – are accessible, is here:

<http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>. My testimony before the legislature, to which I referred when we spoke, was on January 30, 2017 – and, following our conversation, I inserted a footnote into the complaint about it, fn. 4. The direct link to the MUST-SEE VIDEO is here:
