Livingston County's three state legislators – Senator Borrello, Senator Gallivan, and Assemblywoman Byrnes – each running for re-election – are the subjects of a **fully-documented** public corruption/grand jury complaint that Livingston County D.A. McCaffrey, himself running for re-election, has been “sitting on”. Among other things, the complaint involves the “force of law” commission/committee scheme that gave all four of them pay raises.

The June 18, 2020 complaint, by the Center for Judicial Accountability, Inc. (CJA), is above-attached – and below are the e-mails transmitting it and the above-attached July 24, 2020 FOIL request to D.A. McCaffrey. CJA's substantiating evidentiary webpage for the complaint is here: <http://www.judgewidth.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As stated by the complaint, Livingston County voters are entitled to know that their state legislators cannot be re-elected because they must be indicted for larceny and other corruption on EVIDENCE so DISPOSITIVE as to assure convictions.

To facilitate your inquiries of the complained-against state legislators and D.A. McCaffrey, I am cc'ing them on this e-mail. What, if anything, do they deny or dispute. Let them start where the complaint starts: my July 16, 2019 e-mail to the Legislature's 15 stipend-receiving leaders requesting that they forward the e-mail to the 198 other legislators, with its attached July 15, 2019 written NOTICE and substantiating analysis establishing that the December 10, 2018 Report of the Committee on Legislative and Executive Compensation – raising their legislative salaries from \$79,500 to \$110,000 – is “a **fraud** on the People of the State of New York – and a **larceny** of their tax dollars’, violating a succession of penal laws, and that their duty was to void it, to return the pay-raise monies they had already received, and to initiate criminal prosecutions of the Committee's four members and abetting attorneys.” The analysis is 46 pages, excluding exhibits. Will they furnish you with their findings of fact and conclusions of law? If not, I'm sure ordinary Livingston County citizens would be able to help you with what is obvious. Just accompany your story with links to the complaint

and the evidentiary webpage, so that they can see for themselves the open-and-shut, *prima facie* EVIDENCE that re-election-seeking D.A. McCaffrey has been withholding from a Livingston County grand jury to maintain his own fraudulently-boosted salary, paid by Livingston County taxpayers.

I am available to answer your questions and assist you, to the max -- on a story not only upending Livingston County's state legislative and D.A. races, but, additionally, ALL New York's other state legislative races and its 14 other D.A. races -- and **that's for starters**.

Thank you.

**Subject:** Reasonable questions arising from your nonfeasance with respect to the June 18, 2020 corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Livingston County state legislators...

**TO: Livingston County District Attorney Gregory McCaffrey**

I have received no acknowledgment or other response to my June 18, 2020 public corruption/grand jury complaint against Livingston County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer those questions, I have today filed a FOIL request with Livingston County's Records Access Officer & Administrator Ian Coyle. A copy is attached.

Thank you.
