Subject: Cuomo's public corruption, as governor, in which EVERYONE in a line of succession is complicit, as likewise ALL who would impeach and convict him

TO: National Review Editor-in-Chief Richard Lowry

Hopefully, you have the same e-mail address as I used for you, more than seven years ago, when I sent you a [January 25, 2014 e-mail](#) entitled "What winning strategy will you be offering at the Conservative Party's Jan. 26-27 Political Action Conference to defeat Cuomo & sweep the 2014 elections?"

Below is my August 5, 2021 e-mail, sent to the [entire roster of NY's Legislative Correspondents Association](#), with the above-attached June 4, 2020 grand jury/public corruption complaint, reflecting what NY's "fake news"/election-rigging press has been covering up, for years – and now. Please forward to all your writers of the many columns and articles you have published about Cuomo and the situation unfolding in New York.

As stated by the e-mail, based on the attachment:

"the state Senate and Assembly members clamoring for Cuomo's resignation and/or impeachment – and the senators and Court of Appeals judges who would constitute a court of impeachment ([NYS Constitution, Article VI, §24](#)) -- must themselves resign and/or be impeached – and...everyone in a line of gubernatorial succession, beginning with Lieutenant Governor Hochul, must be criminally prosecuted – and will be convicted."

I am available to answer questions – and to assist your writers with explosive reporting and commentary, based on [primary-source evidence](#), so that NY's governance can be returned to its constitutional moorings -- & the People.

Thank you.
