Subject: **YOUR 2024 ELECTIONS REPORTING -- Herkimer County's uncontested D.A. "election", impacting on its elections for state legislative & judicial seats**

TO: Times Telegram – c/o Sports Reporter Jon Rathbun

According to the [wikipedia](#), The Times Telegram is published in Herkimer and serves “southern [Herkimer County](#) and the westernmost part of adjacent [Montgomery County](#) in the [Mohawk Valley](#) region of [New York State](#)”.

However, your website, which comes up “[The Times Telegram: Local News, Politics & Sports in Utica, NY](#)”, does not identify the counties you serve – and your “[Staff Directory](#)”, which comes up as a “Newsroom Directory”, lists only you, a sports reporter.

Who at The Times Telegram is covering the 2024 Herkimer County elections? There is an explosive story for investigative reporting about Herkimer County’s uncontested D.A. “election”, impacting on Herkimer County’s other elections for state legislative and judicial seats.

Please have a political reporter/editor e-mail me, as soon as possible – and, if there is none, please e-mail me recommendations of other Herkimer County press – including radio and TV – able to provide Herkimer County voters with the information they need to vote intelligently.

Thank you.
