Subject: **2024 ELECTIONS REPORTING -- The uncontested Herkimer & Madison County D.A. "elections", impacting on the elections for state legislative & judicial seats, including in Oneida County**

Though not explicit from your "[Contact/FAQ](#)" page, it appears that the counties you serve are Oneida, Herkimer, and Madison.

Do you do substantive investigative stories?

And would you do an investigative story as to why – with a medium household incomes in Herkimer and Madison Counties being less than \$60,000 and \$70,000, respectively – and the D.A. salaries in each county being \$221,100 – Herkimer County D.A. Carpenter and Madison County D.A. Gabor are each running unopposed in the general election, each on the Republican and Conservative lines, and each faced no primary challenges for either line.

There is an explosive story for investigative reporting about D.A.s Carpenter and Gabor, involving their D.A. salaries – and about Oneida D.A. Carville, impacting on the elections for state legislative and judicial seats in all three counties and their salaries.

Needless to say, if this is not the kind of journalism you do, I would appreciate your furnishing me with the names of other press serving Herkimer, Madison, and Oneida counties – including radio and TV – able to provide the voters of those three counties with the information they need to vote intelligently.

Thank you.
