“The NYT & other NY press have been rigging Zohran Mamdani's election as NYC mayor. In tandem with their pervasive anti-Israel slanting and defamations, giving credibility and resonance to Mamdani's anti-Israel falsehoods, they are concealing his corruption as a NYS assemblyman -- a scandal he cannot survive.

This is summarized, with EVIDENTIARY links, by a one-page "Mobilizing New York's Jewish, Pro-Israel & Other Communities" announcement, posted on the website of the NY-based nonpartisan, nonprofit citizens' organization Center for Judicial Accountability, Inc., www.judgewatch.org, accessible from the first center link. The direct link to it is: <https://www.judgewatch.org/elections-2025/alert/mobilizing-8-24-25.pdf>. Please furnish to your investigative journalists and to Newsmax show hosts whose programming has included discussion of Mamdani, such as Greta Van Susteren, Rob Schmitt, Rob Finnerty, Greg Kelly, Chris Salcedo, Carl Higbie, the Right Squad -- and doubtlessly more, as Mamdani and the NYC mayoral race have been big news topics.”
