that my second transmittal of my e-mail to you corrected the date of Judge Wetzel's reappointment & confirmation. It was 2001, not 2000. Please use the second e-mail and discard the first.

Thanks.

Will look forward to working with you as you develop your stories – and, over the weekend, will send you an advance copy of CJA's October 17th opposition report on the judicial compensation issue so that you can have the lead on the story.

Regards,

Thank you! This is very helpful. I will pass on your contact information. I plan to be in touch regarding a more focused story in the coming weeks. Thank you again.

Dear David,

This is all that I have time for right now – but it is more than enough to keep you VERY BUSY. Don't hesitate to call with any questions. That's what I'm here for.

Also, please alert your muckraking journalistic colleagues at the Center for Public Integrity who are assembling data for the other 49 states – and hopefully DC & the federal judicial system -- that we can provide them with powerful information, leads, and contacts.
