RE: Times suppression of important, time-sensitive, and
electorally-significant stories

Enclosed is a copy of CJA's complaint against you that we have sent to Mr. Sulzberger. Please be sure that the materials which our January 9th fax asked you to access in conjunction with our plea for assistance are delivered to Mr. Sulzberger. This should consist of the materials we supplied the Metro Desk, which forms the basis of our instant complaint, as well as our October 21, 1996 complaint and December 2, 1996 supplement to it, including the seven supporting evidentiary compendia.

Finally, since Ms. Lavery and Ms. Hour are indicated recipients of our complaint to Mr. Sulzberger, please provide them with a copy or allow them the opportunity to review what I have set forth therein about my conversations with them.

Thank you.
