RE: **December 18th metro story, "State Senate Votes to Confirm One of Its Own  
for a Judgeship" by James C. McKinley, Jr.**

DATE: **December 26, 2002**

**A December 18 metro story about the State Senate's confirmation of Senate Judiciary Committee Chairman James J. Lack to a Court of Claims judgeship reported that Elena Ruth Sassower attempted to testify in opposition at the Committee's confirmation hearing. However, the name of the organization Ms. Sassower runs is not the Center for Judicial Responsibility. It is Center for Judicial Accountability and she is its coordinator and cofounder.**
