Re: Sassower v. Mangano
Docket No. 96-7805

Dear Mr. Lange:

This office represents appellees in the above-referenced appeal. Enclosed please find one original plus three copies of appellees' notice of motion and supporting affidavit of Assistant Attorney General Jay T. Weinstein to file a corrected copy of appellees' brief and notice of appearance. In addition, I am in receipt of appellant's letter to Staff Counsel Bass, dated March 10, 1997, in which appellant states that she did not receive appellees' motion for an extension of time. A copy of appellees' motion papers were served on appellant by Express Mail on March 4, 1997 along with two copies of appellees' brief, however, in an exercise of caution and for the convenience of appellant, I have, this date, re-served, by Express Mail, a copy of appellees' motion papers for an extension of time along with with appellees' motion to file a corrected copy of their brief and notice of appearance.

Respectfully submitted,

Jay T. Weinstein
