Re: Lassower v Mangano, 94 Civ. #514  
(JES)

Dear Chief Judge Griesa:

Following up further on my previous communication to you relative to the above, I wish to explicitly ask you to invoke your supervisory power over a district judge whose manifest bias has caused him to run amok and subject me to his vindictive and injudicious orders.

Such immediate intervention by you can obviate a mandamus proceeding as well as a 372(c) complaint.

901 Respectfully, Doris L. Sassower
