Dear Ms. Sassower:

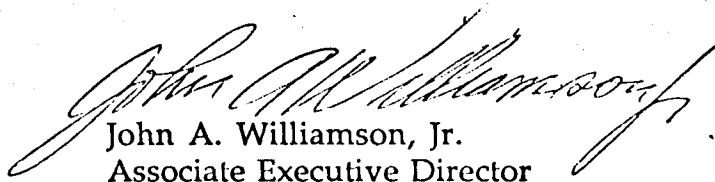

We have been advised of your suspension from the practice of law by the Appellate Division, Second Judicial Department.

Under the Bylaws of the New York State Bar Association, those eligible for active membership are members of the legal profession in good standing, admitted to practice in the State of New York. The Bylaws further require that any member shall automatically be removed from membership in the event of a court order of disbarment or suspension of the member from the practice of law in New York State.

It is therefore necessary to cancel your membership in the Association due to your suspension, effective as of this date.

Please do not hesitate to contact me if you have any questions on this matter.

Sincerely,

John A. Williamson, Jr.
Associate Executive Director
