

Article 78 petition and my motion for disqualification of counsel – being my omnibus motion.

Consequently, Ms. Olson's December 6th affirmation – her so-called "Affirmation in Further Support of Respondent's Motion to Dismiss the Verified Petition" -- supports a motion which is not only *not* properly before the Court for the reasons summarized at page 7 of my December 9th letter, but, in fact, not before the Court *at all* because it was *never* filed with the Motion Support Office.

Yours for a quality judiciary,

Elena Ruth Sassower
